## What is Affiliate Program?

It is an internet marketing tool. A program organizer is a web platform that offers products and services. A program user is an individual or a company, who holds a web site. After enrolling to an affiliate program, user places on his or her web site promotional materials, prepared

by the organizer. In return he or she receives an affiliate commission - a percentage of the organizer's commission from transactions.

## BECOME **BITBAY** PARTNER ENROLLING FOR OUR "AFFILIATE PROGRAM"

Place a banner with an affiliate link on your website.

YOU CAN GET UP TO 20% OF BITBAY COMMISSION FROM TRANSACTIONS FROM EACH USER THAT WILL REGISTER USING YOUR AFFILIATE LINK.

## HOW TO MAKE MONEY WITH YOUR WEB SITE?

NOW, **WE WILL**  
PRESENT YOUR  
POTENTIAL  
**EARNINGS**

The monthly number of visitors  
on your web site? eg.: **15 000**

The number of people that may use your  
affiliate link eg.  $2\% \times 15\,000 = 300$

Your average monthly turnover per user  
at BitBay in PLN could be even **6000zł**  
 $300 \times 6000zł = 1\,800\,000zł$

In such a case BitBay commission  
would be 0,44%  
 $1\,800\,000zł \times 0.44\% = 7\,920zł$

The presented calculations are only examples, designed to illustrate how the program works. We believe that these values will increase with time.
